

Cable Certification Accessories

DualRemote 350

The DualRemote 350 adds full Category 6 / Class E cable certification and trouble shooting to the FrameScope 350. Included with the DualRemote 350 option is the following:

Qty	Description	part #
2	Universal Link SmartProbes	N2604A-101
1	Universal Channel	N2604A-100
1	AC Power Adapter	N2595A-210 (N2610A-100)

Manufacturer Specific Cat 6 Test Probes

Specifically designed using manufacturer patch cord & plug for testing Cat 6 / Class E links.

Talk Set Kit

Set of two (2) talk sets for operation with the FrameScope 350 and DualRemote 350. Includes volume and mute control.
(N2605A-137)

Brady TLS2200 Interface Cable (8-pin DIN to RJ11)

For connecting the FrameScope 350 to a Brady TLS2200 label printer.
(N2605A-050)

Miscellaneous Accessories

Hard Carrying Case

Provides rugged protection for your FrameScope 350. Includes exact custom cut outs for the FrameScope 350, DualRemote 350, Fiber SmartProbes, AC power supplies and other adapters. The front lid features a cushioned fall board to provide secure storage and protection of all cable accessories and manuals.
(N2605A-134)

Nylon Carrying Case

Carry your FrameScope 350 analyzers, cables, probes, and other accessories in this large nylon case with shoulder strap and grip handle.
(N2605A-092)

CompactFlash™ Memory Module (32MB)

Full test and plot data can be saved on removable Compact Flash memory cards, providing expandable capacity and easy transfer of test results.
(N2605A-093)

CompactFlash™ Memory Reader (Parallel Port)

The Parallel Port External Drive easily connects to your printer port and sits on your desk, acting like a removable disk drive, treating the CompactFlash™ card like a diskette.

(N2605A-095)

Removable Battery Pack

NiMH rechargeable battery pack that provides up to 9 hours worth of charge for the FrameScope 350 and the DualRemote 350.

(N2605A-135)

Auto Lighter DC Power Adapter

Convenient power adapter allows charging of FrameScope and Dual Remote while on the road or in areas with limited power outlets.

(N2595A-094)

AC Power Adapter

For powering up or recharging the FrameScope from a 110V or 220V AC power source.

(N2595A-210)

PC Serial Port Cable (8-pin DIN to DB9)

For connecting the FrameScope 350 to a PC to upload test results.

(N2584A-003)

USB Cable

Next generation universal serial bus cable transfers data up to 100 times faster than a standard serial port cable.

(N2605A-097)

Universal Cat 6 Link SmartProbe

For testing all cabling up to Cat 6 / Class E links.

(N2604A-101)

Coax Test Probe

For Testing Coaxial Cable.

(N2604A-200)

Universal Cat 6 Channel SmartProbe

For testing all cabling up to Cat 6 / Class E channel links.

(N2604A-100)

Replacement Accessories Bundle Includes:

Stylus - For use with the FrameScope 350 touch screen.

Screen Cover - Snap on screen cover encloses the color touch screen to offer protection against minor impacts.

Hanging Strap - Make it easy to hang the FrameScope 350 on an equipment rack or patch field using the hanging strap that attaches to the tester via the integrated hanging lugs.
