## DVDO Quick<sup>6</sup> HDMI<sup>®</sup> Control Center:

Empower your system with the latest Audio & Video technologies.

Of course it switches HDMI, but *Quick<sup>6</sup>* is actually the ultimate audio/video receiver (AVR) upgrade. It brings simplicity, total control, and all the latest HDMI features to your home entertainment system.

The AVR is frequently called upon to be the center of an entertainment system, but like a tablet, technology changes quickly and can leave your system and your investment behind. Audio technologies are slow to change, so your amp, speakers, and receiver will be fine for years, but video control needs constant updating.

*Quick<sup>6</sup>* brings all the latest video technologies to your TV and upgrades your current system in minutes. With six HDMI inputs and two HDMI outputs, you can easily manage all your sources and have the flexibility to feed two different displays.

Designed specifically to work with any AVR, *Quick<sup>6</sup>* has HDMI, Coax, and optical S/PDIF outputs to interface any system. The upgrade adds Picture-in-Picture, Audio Return Channel, InstaPort<sup>®</sup> S and InstaPrevue<sup>®</sup> technology to any entertainment system.

*instaport<sup>®</sup> S*

*instaport<sup>®</sup> S*

Nearly instantaneous input switching.

*InstaPrevue<sup>®</sup>*

Visual Input Selection with individual preview windows

**Dual Output**

Two Displays, or AVR compatibility mode

**Audio Return Channel**

Audio from your TV tuner to your AVR over HDMI

# DVDO Quick<sup>6</sup>™

HDMI Control Center

Dual HDMI outputs - true mirror for feeding two displays or one display and an AVR

Digital coax and optical S/PDIF audio outputs for older AVR connection

4K Ultra HD 3D capable HDMI inputs

Two inputs also support MHL, the latest mobile interface that combines HDMI, charging, and control into a single connector.

Serial for connection to home control systems and USB for easy field firmware updates

The included remote provides direct control over Quick<sup>6</sup> and access to the on-screen menu

Product Name: DVDO Quick<sup>6</sup>

Manufacturer: DVDO, Inc.

Brand Name: DVDO

Manufacturer Part Number: DVDOQUICK6-MIR

Master Pack: 5 units

UPC Code: 880802000114

L x W x H: 18.5"x11.75"x3.25", 19"x12"x16.5" Master pack

Weight: 4.8 lbs ea, 25 lbs Master pack
