

# HighPoint DC7280

## SATA 3Gb/s HBA Data Center Solution

### The Industry's First 32-Port PCI-e 2.0 SATA HBA

#### HighPoint DC7280 – Maximum Port Count for Minimal Investment

HighPoint's DC7280 is the most competitive priced, high port count PCI-Express 2.0 SATA HBA available in today's marketplace, and is an ideal cost-effective HBA solution for the professional Storage Solution Provider.

#### High Density HBA Solution for the Professional OEM/ODM Storage Integrator

Designed specifically for integration into existing high-density storage environments, the DC7280 utilizes eight, industry standard Mini-SAS port connectors to simplify the installation process, and is fully backwards compatible with PCI-Express 1.0 hardware platforms. The DC7280's Integration-ready software packages ensure compliance with all major Windows operating systems and Linux Distributions.

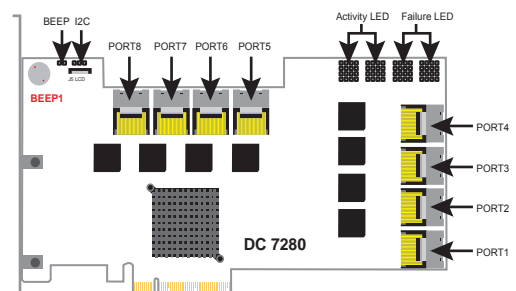

Each DC7280 can directly support up to 32 SATA HDD and SSD devices, and up to 96TB of storage capacity.

#### Key Features

- PCI-Express 2.0 x8
- Up to 96TB of storage per HBA
- 32-port internal (8x SFF-8087)
- Windows, Linux and FreeBSD compatible

#### Specifications and Features

- Supports 3TB hard drives
- 32-port – directly supports up to 32 SATA HDD's and SSD's
- SGPIO support in SFF-8087's side band signals
- Alarm Buzzer Support
- Active and Fail LEDs support
- I2C Interface Support for SAF-TE Application
- RoHS Compliant
- Auto detection of unplug/plug SATA hard drive
- Native Command Queuing (NCQ) for improved random performance
- Supports Windows, Linux and FreeBSD

#### About Us

HighPoint designs and manufactures a full spectrum of SAS and SATA HBA's with Management Solutions for Versatile Storage Applications. We are long recognized as an innovator of RAID HBA technology and have continuously developed cutting edge RAID solutions to satisfy the industry's evolving storage requirements. HighPoint is the SAS and SATA Storage Industry price leader for all OEM/ODM, SMB and Enterprise HBA's. HighPoint has a successful track record of delivering products to fortune 500 companies and global storage providers. HighPoint has regional sales offices and world-wide distribution networks to better serve customers locally.
