

Accessories for fieldbus systems
Bus termination resistor
RSE-48TR-EX

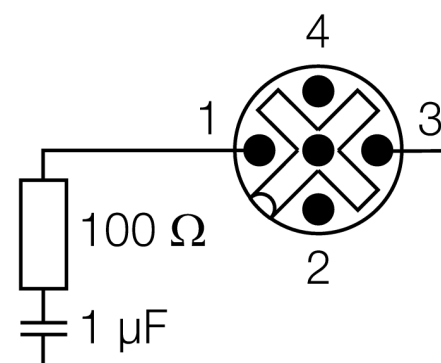

TURCK

Industrial
Automation

- FISCO compliant according to IEC TS 60079-27
- M12 male
- 4-pole, straight, nickel-plated brass coupling nut
- For use in PROFIBUS-PA applications

Wiring diagram

Type code	RSE-48TR-EX
Ident no.	6602250
Connector A side	male connector, M12 x 1
Number of pins	4
Contacts	metal, CuZn, gold-plated
Contact carriers	plastic, PUR, black
Grip	plastic, PUR, blue
Protection class	IP67, (screwed together)
