

Description

5-pin female standard (friction, not finger-latching) right-angle connector on one end of a 5-conductor round shielded 24 AWG cable; the other end is unterminated. This cable is recommended for customers who wish to attach a customer-supplied connector to the cable, or for those who wish to connect the cable to a terminal strip.

Pin-out

Pin	Description	Color
1	Ground	Black*
2	Index	Green
3	A channel	White
4	+5VDC power	Red
5	B channel	Brown

* Drain connected on one end
