

# Soberton Inc.

## TSWBK Series 10.0 X 10.0 Washable Tact Switch

**Features** • Snap in type, which can be directly mounted on PC board. • Part of output terminals can be used as jumper leads, thus making circuit design easy.

| Items                       |                       | Standard           |
|-----------------------------|-----------------------|--------------------|
| Operating temperature range |                       | -20° to 70°C       |
| Electrical performance      | Rating                | 50mA, 12V DC       |
|                             | Insulation resistance | 100MΩ min. 100V DC |
|                             | Dielectric strength   | 250V AC for 1 min. |
|                             | Contact resistance    | 100mΩ max.         |
| Durability                  | Lifetime              | 1000,000 Cycles    |
| Mechanical performance      | Operating force       | 9:400 ± 70gf       |
|                             | Travel                | 0.40 ± 0.2mm       |
