

## 19" Rackmount Chassis

The ZDXModemRack™ chassis consolidates up to 12 Multi-Tech "ZDX-style" devices into one convenient 19" rackmount cage. It distributes power from a single wall outlet to each device utilizing an integrated redundant power supply with universal input. It is available for use with the MultiModem® ZDX and MultiModem® ZBA modems.

### Features

- Standard 19" equipment rack
- 5.25" vertical height
- Holds up to 12 MultiModem ZDX or MultiModem ZBA modems
- Easy-in, easy-out – no disassembly of stand-alone modems
- Distributes power from a single wall outlet to each device
- Integrated redundancy power supply ensures power stability if one power circuit fails
- Available with power cord for 115v AC, 230v AC, or U.K. specific power source
- Two-year warranty

### Benefits

- Durable rackmountable design
- Holds up to 12 Multi-Tech devices
- Integrated redundant power supply with universal input

Multiport serial cards connect to modems in ZDXRack for dial-up users.

## Services & Warranty

Multi-Tech's comprehensive Support Services programs offer a full array of options to suit your specific needs. These services are aimed at protecting your investment, extending the life of your solution or product, and reducing total cost of ownership. Our seasoned technical experts, with an average tenure of more than 10 years, can walk you through smooth installations, troubleshoot issues and help you with configurations. Products include a 2-year warranty that can be extended up to 5 years via Multi-Tech's Extended Warranty program, which offers the convenience of Overnight Service\* for optimal uptime.

### Extended Warranty & Overnight Services

To give you peace-of-mind and protect your investment, our Extended Warranty Service Plans ensure your Multi-Tech products are covered for 1, 2, or 3 years beyond the manufacturer's warranty with an optional Overnight Service plan\*.

### Installation Support

Multi-Tech's Installation Support Service delivers priority service with the ability to work one-on-one with an experienced Multi-Tech technical support engineer, to guide you through the installation process for our products.

### Technical Support Services

At Multi-Tech, we're committed to providing you personalized attention and quality service while providing you a quick response to your product support needs. We have several options of support for you to choose from.

For additional information on Support Services as well as other service offerings, please contact your Multi-Tech representative or visit [www.multitech.com/support.go](http://www.multitech.com/support.go).

\* Overnight replacement service is currently available for U.S. customers.
