

PCIe/104 (PCI/104-Express) to PCI Express Adapter

Top Stacking Model

Extend the capabilities of your PCIe/104 system using Connect Tech's convenient PCIe/104 to PCI Express Top Stacking adapter board. This board allows users to install a PCI Express card into a PCIe/104 single board computer system. The board offers compatibility with a wide range of single board computers with a PCIe/104-Express (PCIe/104) stack up configuration and supports any x1, x4, x8 or x16 lane PCI Express card.

ADG017 with PCIe/104 SBC card and PCI Express card installed

Product Name: PCIe/104 to PCI Express Adapter
Top Stacking Model
Part Number: ADG017

FEATURES

- ✓ *Compatible with PCIe/104 and PCI/104-Express*
- ✓ *Supports x1, x4, x8, x16 PCI Express cards*
- ✓ *Custom metal support bracket provides system stability*

Specifications

PCIe Lane Interconnect	All PCIe/104 lanes direct connect to PCI Express lanes
Connectors	- x16 vertical PCI Express card edge connector (supports x1, x4, x8, x16) - PCI-104/Express 156 pin bottom connector - Footprint for 2x USB Type B connectors
Stability	Custom PCI Express metal support bracket
Dimensions	3.55" x 3.775"
Temperature	-40° C to 85° C (-40° F to 185° F)
Warranty and Support	Lifetime warranty and free technical support

RoHS
