

## European P.C.B. type terminal blocks / EK series

### EPK635VS-..P1

**Pitch: 8.25mm**

| Approval                                                  |  |       |
|-----------------------------------------------------------|--------------------------------------------------------------------------------------|-------|
| Technical Data                                            | UL                                                                                   | IEC   |
| Rated voltage                                             | 600V                                                                                 | 1000V |
| Rated current                                             | 35A                                                                                  | 41A   |
| Conductor cross-section, solid (AWG/ mm <sup>2</sup> )    | 18~8 / 0.2~6                                                                         |       |
| Conductor cross-section, flexible (AWG/ mm <sup>2</sup> ) | 18~8 / 0.2~6                                                                         |       |
| Rated surge voltage (UL/IEC/Max.)                         | 2.2 / 3.5 / KV                                                                       |       |
| Torque (N-m)                                              | 0.50                                                                                 |       |
| Screw                                                     | M3                                                                                   |       |
| Wire strip length                                         | 7~8mm                                                                                |       |
