

BarcoGraphics 6300

The BARCOGRAPHICS 6300 offers an unprecedented scope of application possibilities for mobile presenters, speakers and trainers. The unit's attractive, contemporary design is easy to integrate in the most prominent meeting places: boardrooms, training centers, conference rooms, education centers, auditoriums, demo rooms, point-of-sale,...**Why would you buy this projector?**

Images really jump off the screen thanks to the high light output, the high native panel resolution and the True Color Reproduction processing.

Place the projector anywhere: in any position or at any distance from the screen. Display whatever source.

Plug 'n Play projection tool thanks to the AutoImage feature, the direct stacking, the motorized zoom, focus and lens shift, ...

Built to last design

Silent running prevents the attention of the audience being distracted from the presented.

BARCO

Visibly yours
