SYSTIUM® MODEL 526 uATX CONVERTIBLE MICRO-TOWER/DESKTOP

The Systium® Model 526 is a small form factor uATX compliant convertible Micro-Tower/Desktop. The unique, long life design allows for the operation of the system in a vertical or horizontal configuration. The 526's unique form factor, convertibility and hidden CDROM makes this product a perfect choice for OEM applications without that "PC" look. CSA-UL, FCC-CE Certifications make this your perfect choice. Available with or without certifications.
