

REV
A

Technical drawing of a mechanical part, showing a side view and a cross-section. The drawing includes the following dimensions and features:

- Overall length: .721 REF.
- Length of the threaded section: .570 REF.
- Length of the unthreaded section: .220 REF. REF PLANE
- Outer diameter of the threaded section: $\varnothing .413$ REF.
- Inner diameter of the threaded section: $\varnothing .159$ REF.
- Outer diameter of the unthreaded section: $\varnothing .302$ REF.
- Inner diameter of the unthreaded section: $\varnothing .252$ REF.
- Height of the threaded section: .390 REF.
- Height of the unthreaded section: .458 REF.
- Height of the cross-section: .750 REF.
- Height of the cross-section (total): .922 REF.
- Height of the cross-section (inner): .532 REF.
- Scale: 1.0
