

■ USB 3.0 DataGuardian

Perhaps the most balanced product we have ever made, the USB 3.0 DataGuardian offers the optimum combination of Performance, Price, Security and Compatibility in a stylish aluminum enclosure. Password protected, USB 3.0 DataGuardian will keep your files secure in the event that you lose your drive. A true performer, the USB 3.0 DataGuardian, offers impressive performance in both USB 3.0 and 2.0 ports. And you don't have to be an IT professional to use it. There's nothing to install; the USB 3.0 DataGuardian is ready to use on any PC, even without admin rights. Available in eight languages - Simplified Chinese, Traditional Chinese, English, German, Japanese, Portuguese, Spanish (International) and French.
