

**PHTM200 - Phantom 200** Wafer Thin Profile Wall Mount  
for Flat Screens up to 50lbs  
with 200mm VESA<sup>®</sup> Mounting Patterns

The **PHTM200** wall mount attaches to 20"-65" flat screens up to 50lbs with 200mm mounting patterns. The wafer thin profile of the **Phantom 200** mount projects from the wall less than 5/8". Security for the flat screen is provided with a discrete proprietary locking mechanism. Wood lag screws & toggle bolts are provided for quick and easy installation.

**Features:**

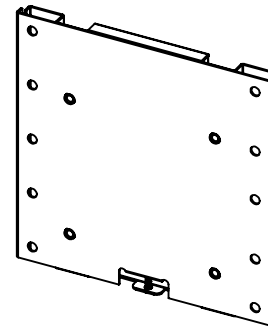

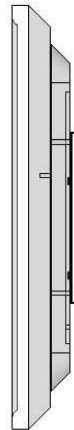

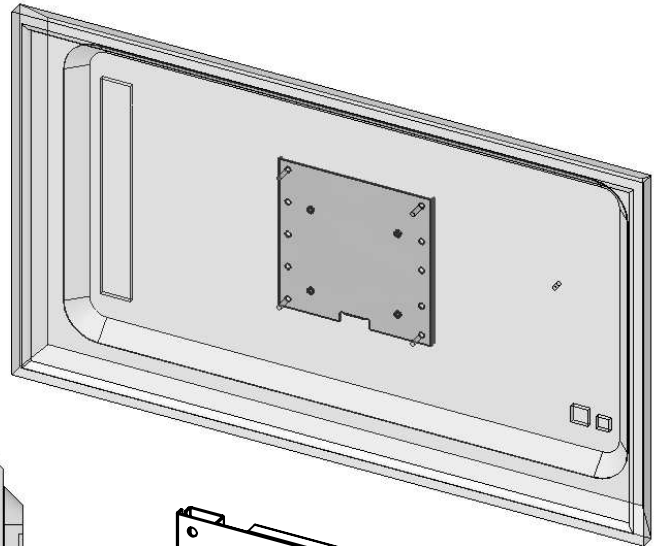

Gloss black baked on powder coat finish

Fits 20"-65" flat screens with 200mm x 200mm & 200mm x 100mm VESA<sup>®</sup> mounting patterns

Security screw provided to join wall plate to the screen mounting plate for discrete flat screen security.

Open wall plate allows for electrical and A/V junction boxes behind the monitor.

Gap between plates and plastic edge protector allow for very clean looking wiring in the wall.
