

Back Box for TPMC-9L

The BB-9L back box provides a UL® listed recess-mount steel enclosure for the Isys® TPMC-9L 9" Wall Mount Touch Screen. Designed for pre-construction applications, the BB-9L permits fastening to the stud of a framed wall prior to installation of sheet rock. An assortment of knockouts is provided to accommodate conduit fittings, and a blank cover plate is included to provide a temporary cover of the opening during construction.

Consult the installation manual for actual cutout dimensions, clearances, and complete mounting instructions.

SPECIFICATIONS

Construction

Vented metal box, front mounting plate with integral stud mounting flange, cover plate
