

4017-[*]-[**] Male metal face

4017PL-[*] Male low profile metal face

*Number of contacts; Options are:
9, 15, 25, 37

**Mounting style; Options are:

A = Thru hole

T = 4-40 flush inserts

PL = Plastic low profile strain relief
 (All includes strain reliefs)

ELECTRICAL:

- Current Rating: 1 AMP maximum
- Temperature: -55 °C to 105 °C
- Insulation Resistance = 1000 Megohms minimum
- Contact resistance = 10 milliohms maximum

MATERIAL:

- Shell: Bright Tin Plate
- Insulators: UL94V-0 / PBT Glass Filled
- Color: Black
- Contacts: Pin = Brass
 Socket = Phosphor Bronze
- Plating: 6µ" Gold Over Nickel
