

4131-[*]-[**]

*Number of contacts;

Options are: **3**, **4**, **5**, **6**, **7**, **8**, **9**

** Gender; Options are:

M = MaleF = Female

ELECTRICAL:

• Current rating: 1 AMP maximum

• Contact resistance: 20 Milliohms maximum

• Insulation resistance: 50 Megohms minimum

• Dielectric withstanding voltage: 250 VAC

MATERIAL:

• Shield: Brass, nickel plated

• Contact: Pin = Brass, tin plated

Socket = Phosphor bronze, tin plated

• Insulator: UL94V-0 / PBT glass filled

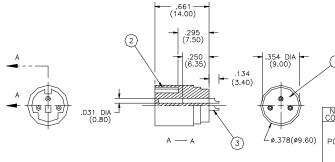

• Operating temperature: -55°C to +105°C

· Color: Black

Solder type design

· Polarized and keyed to prevent mismatching

Female
